WORK EXPERIENCE

Supervisor / Technician

America's Incredible Pizza Co -- 02/2019 - Current

This job included: Supervising the employee's, making sure all employees are performing all tasks needed. As a Technician I perform preventative maintenance to all the arcade games and rides, and diagnose anything wrong with them. I also perform all safety checks to make sure all rides are safe for the customers.

Crew Member, Wendy's -- 10/2018 - 01/2019

This job included customer service, money handling, and food preparation.

Trainer, Customer service

America's Incredible Pizza Co -- 02/2018 - 09/2018

I ended this job due to moving back to Oregon.

This job included: Training the new employees the procedures of the job and making sure they fully understand how to perform each task of the job. I also was a customer service representative, helping the guests whenever I could.

Back Molding, Rv Line Production, Keystone RV -- 06/2017 - 08/2017

I ended this job due to moving to California.

This job included working as a team to complete RVs. The job I was tasked with required me to install rear lights, molding, and secure the rear metal to the RV using screws in a quick and clean manner.

Crew Member, Dickey's BBQ Pit -- 08/2016 - 06/2017

I ended this job due to acquiring better employment at a different facility.

This job included providing excellent customer service while maintaining a clean and orderly work environment to ensure customer satisfaction.

Game Operator, Spot Help, Davis Shows NorthWest -- 09/2016 (Seasonal)

This job included attracting customers to my game and persuading them to give it a try.
