## OBJECTIVE

I am seeking to advance my career in the the golf industry and am very outgoing and independent with the ability to be a great team player. I have excellent communication and customer service skills with a high attention to detail.

## EDUCATION

**Bayfield High School**, Bayfield, CO

High School Diploma

**Colorado State University**, Ft. Collins, CO

*Bachelor of Liberal Arts* May 2012

Concentration: **Communications**

Minor: **History**

## WORK EXPERIENCE

**Ski Barn**, Durango, CO

At Ski Barn I would assist all customers with everything in the store, including but not limited to: rentals, clothing, boot-fitting, and ski tuning. I also would take reservations for people planning to travel to the Durango area. I was pleased to be asked back for the next winter season. While working at Ski Barn I became certified by Marker, Solomon, and Rossignol to adjust, test and fit bindings, skis, and boots.

**Winter/Spring 2010**

**Purgatory at Durango Mountain Resort**, Durango, CO

I worked as a zip-line guide at the Resort eventually being promoted to a Senior Zip Guide. The position required extensive training in course maintenance, risk management, customer service and climbing knowledge. I became certified in CPR and was a First Responder for the Resort, including Avalanche Safety.

**Winter 2011-Summer 2012**

**Brea Creek Golf Course**, Brea, CA

At Brea Creek GC, I worked for Billy Casper Golf who managed and operated the course. I started as an outside services attendant and advanced to Golf Shop Manager after many personnel changes. My willingness to adapt to the fluid situations was key. I learned how to control day-to-day operations of the facility as well as handling all business related tasks including inventory maintenance and training new staff as well as all day-to-day operations. I was able to fine tune and polish my customer service skills that have been cultivated from all my previous jobs.

**Summer 2012-Spring 2013**
